MEMORANDUM FOR: Legislative Counsel

SUBJECT : Comments on Draft Bill, "Foreign Employees'
Personnel Act of 1956"

1. The attached draft bill has been reviewed by the appropriate DD/P components and is returned with the following comments:

- a. The policy established by this bill solves a number of problems with which operating divisions of the DD/P component have frequently been faced in the past.
- b. Since the bill appears to apply only to those employees hired in an overt capacity namely, aliens working for our [] establishments in such functions as chauffeurs, mechanics, housekeepers and the like, it is acceptable in its present form.
- c. It is assumed that such [] will generally conform to the customs and practices allowed under this proposed legislation.
- d. It is requested that the implementation procedures to be installed upon passage of the bill also be forwarded to the DD/P for review and comment. There are [] security factors inherent in these procedures that demand protection. For instance, there obviously must be a prohibition against the inspection or audit of the employing agency's books by the local government, etc.
